

Mushroom Research Vol.12 (2) 2003

SN	Title	Authors
1	Molecular characterization of specialty mushroom germplasm of the National Mushroom Repository	SK Singh, MC Yadav, RC Upadhyay, Shwet Kamal, RD Rai and RP Tewari
2	Molecular profiling and morpho-physiological characterization of <i>Agaricus bitorquis</i> germplasm	MC Yadav, SK Singh, RC Upadhyay and S Mahfooz
3	Successful cultivation of the medicinal mushroom Reishi, <i>Ganoderma lucidum</i> in India	
4	Ideal casing material for <i>Agaricus bisporus</i> cultivation under the natural climatic conditions of Punjab	Monika Angrish, HS Sodhi, PK Khanna and CL Arora
5	Biological efficiency of different <i>Pleurotus</i> species on the leaf stalk biomass from coconut palm	AK Bhawna and George V Thomas
6	Biology of sciarid fly, <i>Bradysia tritici</i> (Coq.) on white button mushroom <i>A.bisporus</i>	A Shivanna, KK Mrig, Surjit Singh and HR Rohilla
7	Effect of biocides against <i>Mycogone pernicioso</i> a mycoparasite of <i>Agaricus bisporus</i>	SK Mishra and RP Singh
8	Effect of concentration on the degradation of imidacloprid and metalaxyl by <i>Pleurotus florida</i>	Soudamini Mahapatra, Meera Pandey and MD Awasthi
9	Studies on canning of button mushroom <i>Agaricus bisporus</i> for improved quality	T Arumuganathan, RD Rai, V Chandrasekar and Anil Kumar Hemkar
10	Rehydration characteristics of the button mushroom (<i>Agaricus bisporus</i>) dried by different drying methods	T Arumuganathan, RD Rai, C Indurani and Anil Kumar Hemkar
11	Effect of blanching on quality of frozen mushrooms	Nilanjana Das and Sc Pathanayak
12	Records of new pests of oyster mushrooms in Kerala	S Deepthi, M Suharban, D Geetha and KD Prathapan
