

Mushroom Research Vol.13 (2) 2004

SN	Title	Authors
1	Mushroom mites and their management	Satish Kumar, Y Gautam and SR Sharma
2	Farm yard manure and coconut coir pith as a casing material for production of <i>Agaricus bisporus</i>	BC Suman and SS Patiyal
3	Coirpith – a non-conventional substrate for <i>Calocybe indica</i> (Milky mushroom) production	Sherin A Salam, D Geetha, M Suharban and K Harikrishnan Nair
4	Physiological requirements and cultivation of <i>Agrocybe aegerita</i>	VP Sharma, SR Sharma and Satish Kumar
5	<i>In vitro</i> interaction between <i>Agaricus bisporus</i> and <i>Trichoderma</i> spp.	PK Raina
6	Pests infesting oyster mushrooms in Kerala and the seasonality of their occurrence	S Deepthi, M Suharban, D Geetha and K Sudharma
7	<i>In vitro</i> fungitoxicity of <i>Citrus sinensis</i> essential oil to compost based weed-fungi of <i>Agaricus bisporus</i>	PK Raina
8	Physico-chemical properties of spent mushroom substrates of <i>Agaricus bisporus</i>	Pradeep Gupta, C Indurani, OP Ahlawat, B Vijay and Vishal Mediratta
