

Mushroom Research Vol.6 (2) 1997

SN	Title	Authors
1	Studies on the genus <i>Agaricus</i> L.:Fr.-the Subgenus <i>Agaricus</i> section <i>Sanguinolenti</i> Schaeff.et Moller from north west India	SS Saini, NS Atri and AK Gupta
2	Protoplast isolation and regeneration in <i>Agaricus bisporus</i> strain MS	U Gupta, GS Cheema, HS Sodhi and RP Phutela
3	Natural occurrence of two strains of <i>Morchella esculenta</i> in Himachal Pradesh	BM Sharma, Deepika Sud and BM Singh
4	Evaluation of various strains of <i>Agaricus bisporus</i> (Lange) Imbach for commercial cultivation under H.P. conditions	S Kumar and VP Sharma
5	Effect of 'Azotobacter' and 'Phosphotika' biofertilizers on the spawn-run, pinning and yield of the white button mushroom (<i>Agaricus bisporus</i>)	OP Ahlawat and RD Rai
6	Cultivation of <i>Pleurotus sajor-caju</i> (Fr.) Singer on areca wastes – standardization of substrate preparation during summer and rainy seasons	K Madhusudhanan and R Chandramohan
7	<i>Pleurotus salmoneo-stramineus</i> an edible oyster mushroom from coconut stump	AS Krishnamoorthy, T Marimuthu, S Mohan and R Jeyarajan
8	Evaluation of the suitability of different casing materials for <i>Calocybe indica</i> P & C	SS Sharma, Anila Doshi, Amit Trivedi and KL Kothari
9	Efficacy of formaldehyde against some common competitors and mycoparasites of mushrooms	VP Sharma, SR Sharma and CL Jandaik
10	Uptake and persistence of pesticide residues in white button mushroom (<i>Agaricus bisporus</i>)	Debi Sharma, MD Awasthi, AK Ahuja and RP Tewari
11	Laboratory evaluation of some fungicides for controlling <i>Chaetomium olivaceum</i> Cooke & Ellis in mushroom beds	Anil Gupta and PN Kerni
12	Cellulase and zylanase production from <i>Volvariella diplasia</i>	HS Sodhi, RP Phutela, S Kapoor and A Bhaduria
13	Stability of cellulase of <i>Pleurotus sajor-caju</i>	SG Sharma and VK Singh
14	Degradation of coir pith by oyster mushroom (<i>Pleurotus</i> spp.) and its effect on yield of bhindi	M Suharban, D Geetha and MC Nair
15	Control of mites in paddy straw mushroom with acaricide, Ethion	Y Rathaiah, Anoop K Barooah and Satyen K Dutta
16	<i>Achorutes armatus</i> – a new pest of button mushroom	Satish Kumar & SR Sharma
17	Wild edible mushrooms of tribal areas of Seoni district, Madhya Pradesh	MK Rai
