

Mushroom Research Vol.8 (2) 1999

SN	Title	Authors
1	Mushrooms of Garhwal Himalaya: the genus <i>Amanita</i> Pers.ex Hooker	VK Bhatt, RP Bhatt, RD Gaur and MP Singh
2	Agaricales from Western Ghats – VII	KB Vrinda, CK Pradeep, Sibi Mathew and TK Abraham
3	Composting coirpith using lignocellulolytic fungi for the management of root rot of black gram	V Ramamoorthy, B Meena, M Muthusamy, K Seetharaman and D Alice
4	Bacterial contaminants in spawn of the mushroom, <i>Agaricus bisporus</i> (Lange) Sing.	OP Ahlawat, RD Rai and RN Verma
5	Adverse effect of formaldehyde on mycelial growth of some edible fungi and their mycoparasites	VP Sharma, SR Sharma and Satish Kumar
6	Physico-chemical changes in white button mushroom (<i>Agaricus bisporus</i>) at different drying temperatures	AK Singh, HK Sharma, P Kumar and B Singh
7	Bioluminescent agarics from Western Ghats	KB Vrinda, CK Pradeep and TK Abraham
8	Cultivation and nutritive value of <i>Lentinus squarrosulus</i>	RC Upadhyay and RD Rai
9	Changes in contents of carbon, nitrogen, C:N ratio and weight loss of different substrates during cultivation of <i>Pleurotus sajor-caju</i> (Fr.)Singer	Moni Gupta, CR Sarkar and Sachin Gupta
10	Studies on cultivation of <i>Auricularia Masenterica</i> Pers	RC Upadhyay
11	Effect of different supplements in paddy straw on yield of <i>Pleurotus citrinopileatus</i> (Fr.) Singer	DK Srivastava and SP Singh
12	Studies on osmo-air drying of milky mushroom, <i>Calocybe indica</i>	G Amuthan, R Visvanathan, R Kailappan, VV Screenarayanan
13	Knowledge and adoption of improved mushroom cultivation practices in Haryana	Sube Singh, VK Makhija and Surjeet Singh
14	Yellow light trap – a low –cost method for management of mushroom flies	Satish Kumar and SR Sharma
15	Impact of training on oyster mushroom cultivation: a report from Cachar district of Assam	U Barman, K Pathak, MK Kalita, BN Hazarika and NN Saha
